Dumnacus Vignerons symbolizes Loire wines in all their diversity and authenticity.

Dumnacus Vignerons brings us back to the Gallo-Roman period, to find the brave gallic warrior **Dumnacus**; symbol of our land, our authentic vineyards and of a free state of mind.

Because our wines are like him, they are also like you. They all bring us together.

Because our wines reveal the true nature of the Loire.

Glory to the Loire !

Soil, terroir & winemaking

The nature of the different soils is widely varied, with flinty clays, mixed clay and limestone, and Sologne sand.

100% Sauvignon Blanc. The grapes are picked when perfectly ripe and are among the first varieties to be harvested. The juice is kept cold right from the start, to maximise the variety's aromatic potential.

Tasting notes

This wine gets its powerful aroma from the Sauvignon grape. The nose offers aromas of exotic fruit and wild broom. A clean, soft wine on the palate, following through with notes of citrus. The mineral finish really comes into its own when accompanied by asparagus from Sologne.

Service and aging

To be served between 9°C and 10°C.
