## VAL DE LOIRE

INDICATION GÉOGRAPHIQUE PROTÉGÉE

SAUVIGNON BLANC  
SEC

### HISTORY

**Dumnacus Vignerons** : 180 winegrowers who proudly bear the Loire Region's colors, who share the same wine pride and passion and who promote everyone's know-how through a single banner.

**Dumnacus Vignerons** symbolizes Loire wines in all their diversity and authenticity.

**Dumnacus Vignerons** brings us back to the Gallo-Roman period, to find the brave gallic warrior **Dumnacus**; symbol of our land, our authentic vineyards and of a free state of mind.

Because our wines are like him, they are also like you. They all bring us together.

Because our wines reveal the true nature of the Loire.

**Glory to the Loire !**

### Soil, terroir & winemaking

The grapes used for our IGP wines are all produced by our wine-growers in the Loire Valley. The wide variety of soils ranges from the ancient terrains of the Armorican Massif of Anjou to the white limestones of the Saumur and Tours areas.

100% Sauvignon Blanc. The grapes used for our PGIs come 100% from the Loire Valley and from our own winegrowers. The rules for producing an IGP are more flexible, allowing our winemakers to express their creativity.

### Tasting notes

A fresh, supple wine with aromas of boxwood and citrus. Serve between 8 and 10°C with a salad, a buffet or to accompany a picnic.

### Service and aging

To be served between 8°C and 12°C.
